FIXED CARRIER LICENCE  
TELECOMMUNICATIONS ORDINANCE (CHAPTER 106)

Hong Kong Telecommunications (HKT) Limited (“the Company”)

**Name of Tariff:**

Metro IP service Packages

**Description of Tariff:**

Metro IP Silver Package is a single port solution riding on the Metro IP Network. This set up is simple and provides guarantee bandwidth, suitable for simple host branching network, mission critical data application.

Metro IP Gold Package is a dual port solution riding on the Metro IP Network with a cross platform backup port of at least 128Kbps. This set up supports automatic switchover, the package also comes with an integrated router for 1Mbps to 4Mbps, making this a value for money option for enterprises to enjoy the extra benefit of high resilience IP solution.

Metro IP Diamond Package is a dual ports solution riding on the Metro IP Network. The fiber provisioned primary and secondary port both having the same bandwidth, featuring the dual ring topology, supports automatic switchover and high availability on service connectivity.

The above services are subject to the Company’s prevailing General Conditions of Service and Special Conditions of Datapak Services.

The offer of the services is subject to site feasibility study and availability of the Company’s resources.
